I. Global indicator

<Type 4>

<b>Indicator</b>	Level of national compliance of labour rights (freedom of association and collective bargaining) based on International Labour Organization (ILO) textual sources and national legislation, by sex and migrant status
<b>Definition</b>	<p>The indicator measures the level of national compliance with fundamental rights at work based on ILO textual sources and national legislation. The indicator has a range from 0 to 10, with 0 being the best possible score.</p> <p>Freedom of association and collective bargaining rights are the ILO's normative foundations. With the adoption of the 1998 ILO Declaration, the promotion and realization of these fundamental principles and rights also became a constitutional obligation of all ILO member States.</p>
