<b>Organizations</b>	Employment Statistics Division(Tel. 042-481-2339), Social Statistics Bureau, Statistics Korea
<b>Related International Agency</b>	N/A(The number of foreigners by gender and economic activity status in this survey is provided to the ILO)

### III. Comparison with UN SDG indicator

	① Indicator		② Definition		③ Data value	
	Same	Different	Same	Different	Same	Different
<b>Note</b>	<ul style="list-style-type: none"> <li>■ The UN SDGs indicator estimates the employment costs borne by international immigrants as a proportion of their monthly income. Employment costs include all cost incurred during the recruitment process, including broker fees, visa fees, transportation expenses, passport fees, medical expenses, insurance premiums, customs fees, language training expenses, and other loans and interest required for hiring.</li> <li>■ For the national indicator, international residents in Korea who are H2 or F4 visa holders are interviewed to ask if they have been asked to pay employment referral fees and how much they have paid, if any.</li> </ul>
