

U N	Goal	16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels
	Target	16.3 Promote the rule of law at the national and international levels and ensure equal access to justice for all
	Indicator	16.3.2 Unsentenced detainees as a proportion of overall prison population

I. National indicator

<Type 1>

Indicator	Unsentenced detainees as a proportion of overall prison population
Definition	The total number of persons held in detention who have not yet been sentenced, as a percentage of the total number of persons held in detention, in a given period. 'Sentenced' refers to persons subject to criminal proceedings who have received a decision from a competent authority regarding their conviction or acquittal. For the purposes of the indicator, persons who have received a 'non-final' decision are considered to be 'sentenced'.
Calculation method	$\text{Proportion of unsentenced detainees (\%)} = \frac{\text{No. of persons held in detention who have not yet been sentenced (unsentenced detainees)}}{\text{Total number of persons held in detention}} \times 100$
Unit	Percent (%)
