I. Global indicator

<Type 4>

Indicator	Proportion of seized, found or surrendered arms, whose illicit origin or context has been traced or established by a competent authority in line with international instruments
Definition	<p>Arms refer to 'small arms and light weapons', defined as any portable lethal weapon that expels or launches, is designed to expel or launch, or may be readily converted to expel or launch a shot, bullet or projectile.</p> <p>Seized arms refer to arms that have been physically apprehended during the reported period by a competent authority, whether temporarily or not, in relation to a suspected criminal offence or administrative violation related to these arms.</p> <p>Found arms refer to arms apprehended by authorities that are not linked to an intentional or planned investigation or inspection, neither attributable to any apparent holder or owner, regardless of whether the items were reported lost or stolen.</p> <p>Surrendered arms refer to arms willingly handed over to authorities that are not linked to a planned investigation or inspection. The surrender may occur as a personal initiative of a citizen in the context of a voluntary surrender campaign and disarmament, demobilization and reintegration processes, inter alia.</p>
